DISCLAIMER:

The records contained in our reports are compiled from various databases. Our reports are not intended to serve as recommendations of whether to hire the individuals investigated.

Our reports are submitted in strict confidence and except where required by law, no information provided in our reports may be revealed directly or indirectly to any person except to those whose official duties require them to pass this report on in relation to which the report was requested by the client.

The information provided herein shall not be construed to constitute a legal opinion; rather it is a compilation of public records and/or data for your review. SENTRY SECURITY shall not be liable for any losses or injuries now or in the future resulting from or relating to the information provided herein.

Our report contains public record information that is reportable under the Fair Credit Reporting Act or other federal or state laws. However, the intended use of this information by the user may be restricted by separate state and/or local laws.

The requested searches provided by SENTRY SECURITY should not serve as legal advice for your background investigation. You should always seek legal advice from your attorney. The requested searches are provided to help orient you to searches you may want to consider for a particular job classification. SENTRY SECURITY investigators have vetted the information contained herein and reported only that information which is relevant based on the requested search.
